- Wirtschaftswissenschaftliche Fakultät / Faculty of Business Administration and Economics
- Kulturwissenschaftliche Fakultät
- Sprachzentrum

- Zentrum für Schlüsselkompetenzen und Forschendes Lernen

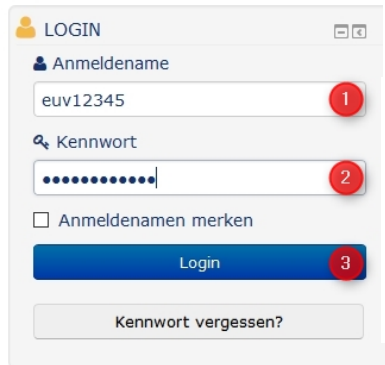

Most of the learning materials can be accessed only after successful login; only selected courses are not password secured and are available for guests. One of the major requirements to use the Moodle platform is the possession of an active email account in the university domain.

The email scheme for university employees: alias@europa-uni.de

The email scheme for students: euv12345@europa-uni.de

On the left side in Moodle you will find the login field in which you need to type your

login name which corresponds with the prefix of your email e.g. **euv12345** (which you also use to login into HIS Portal) or **alias** in case that you are an university employee.

The screenshot shows a Moodle login form titled 'LOGIN'. It contains the following elements: a user icon, a text input field for 'Anmeldename' (username) containing 'euv12345', a text input field for 'Kennwort' (password) with masked characters, a checkbox for 'Anmeldenamen merken' (remember me), a blue 'Login' button, and a 'Kennwort vergessen?' (forgot password) link. Red circles with numbers 1, 2, and 3 are placed over the username field, the password field, and the Login button respectively.

Please provide your login data in the fields below:

← **euv12345** or **alias** (Step 1)

← Password to your email account (Step 2)

← You need to confirm your login (Step 3)

Advice!

If you are unsure whether your login credentials are correct, then please check whether you are able to access your email account using Microsoft Outlook Web Access: <https://owa.europa-uni.de>

When your login to Moodle was successful, you will find the course structure in the central part of the Moodle start page.

The screenshot shows a Moodle course structure menu titled 'Kurse'. It features a list of course categories, each with a right-pointing arrow icon. The categories are: Studienanfänger/innen (Erstsemester), Juristische Fakultät, Wirtschaftswissenschaftliche Fakultät / Faculty of Business Administration and Economics, Kulturwissenschaftliche Fakultät, Sprachenzentrum, Forschung, Zentrum für Schlüsselkompetenzen und Forschendes Lernen, Abteilung für Internationale Angelegenheiten / Department of International Affairs, Zentrale Kurse, Universitätsbibliothek, and Gremien und Initiativen. A 'Alle einklappen' (collapse all) link is visible in the top right corner.

Now, you are able to select the appropriate courses (with left mouse click). It can be necessary to provide an enrollment key (defined by lecturer or course admin) to get access to selected course materials. As an alternative you can use the search function to find appropriate courses.
